

ATIN JAIN

Monroe Township, NJ | 732-666-5310 | atinjain117@gmail.com | linkedin.com/in/atinjain1 | atinjain.vercel.app

PROFESSIONAL SUMMARY

High school junior (Class of 2027) with professional experience in financial account reconciliation, revenue operations, and business ownership. Managed transaction tracking and contract coordination for JSTickets; founded and scaled Conquer With Faith Apparel Co. through strategic capital allocation and margin optimization. Pre-launch founder of LeaseMynd AI, conducting customer discovery with real estate firms and construction companies. DECA 2x States competitor, FBLA Banking & Financial Systems. Seeking to contribute analytical and operational skills to a wealth management or financial planning team.

EXPERIENCE

Assistant Account & Financial Manager Intern | JSTickets

| Monroe Township, NJ / Long Island, NY (Hybrid) | June 2025 – September 2025

- Reconciled financial accounts and maintained detailed spreadsheets tracking transactions, expenses, and revenue across multiple business lines
- Processed payments and invoices; managed membership contracts and renewals with professional soccer clubs
- Supported month-end reporting accuracy and collaborated with finance team to streamline documentation workflows

Founder & CEO | Conquer With Faith Apparel Co. conquerwithfaith.com | New Jersey | February 2024 – Present

- Manage full financial operations for self-funded e-commerce business: budgeting, pricing strategy, cash flow, and P&L monitoring
- Deployed personal capital into inventory and marketing; achieved profitability through iterative cost optimization and demand forecasting
- Negotiate supplier terms and manage inventory procurement to maintain target margins
- Built and operate Shopify storefront; utilize sales data to inform purchasing decisions and seasonal planning

Founder | Linyr Web Design Studio linyr.vercel.app | Remote | June 2025 – Present

- Design and deliver custom websites to business clients; manage projects from scope definition through deployment
- Generate revenue through direct sales, cold outreach, and referral networks

Intern | Elias Counsel LLC | New Jersey | July 2024 – September 2024

- Shadowed estate planning attorneys; observed trust administration, wealth transfer strategies, and fiduciary compliance processes
- Reviewed client financial documentation structures and tax implication frameworks for estate decisions

Soccer Referee | Grassroots-Adult Recreation / U.S. Soccer Federation | New Jersey | October 2023 – Present

- Officiate competitive matches requiring real-time decision-making under pressure and rule enforcement authority

PROJECTS

LeaseMynd AI

February 2025 – Present

Pre-launch founder of AI-powered lease intelligence platform for REITs and property managers

Conducted customer discovery with MG Construction and independent real estate brokers to validate demand for automated contract analysis
